THE CURIOUS TRAVELER SUGGESTED PACKING LIST

When traveling, keep luggage as light and minimal as possible. Planes provide less and less room for luggage so remember to make sure your walk-on hand luggage will fit comfortably in the overhead bins or under the seat in front of you.

Clothing Recommendations:

- 1 waterproof jacket
- 2 Pairs of casual trousers (or jeans) or skirt
- 1 pair of smarter trousers (or skirt) w/top
- 2 sweaters/fleeces
- 1 smart jacket
- 3 lighter short sleeved tops
- 1 pair good walking shoes (quick drying)
- 1 pair flat or low heeled shoes
- Quick drying socks are ideal, together with underwear and sleepwear that is lightweight and easy to wash.
- Warm silk underwear
- Extra tote for keeping your personal items in one place during each day.

and don't forget!

- Passport
- Credit Card (Be sure and let your credit card company know you will be traveling. ATM cards give the best rates but do NOT lose the card)
- Pounds Sterling (fifty pounds should be plenty. I would strongly advise you to use your credit card for most purchases.)
- Sunglasses
- over the counter and prescription medicines
- camera and extra storage media
- if you use rechargeable batteries, you will need a converter/adapter
